No Matter What

Ma$e

Ting called [Incomprehensible]
I don't know why you feel like
You're not special, and you are
Yeah, oh oh
Let's go back to the stars, in case
You've been forgetting how beautiful you are
And some how, it seems, you think
That your look is no beauty queen
But I see ya differently, girl
And you're everything I need
'Cause I never knew what love was
Didn't know what love does
Until you did it to me
No matter what, no matter what
I'm gonna be here, no matter what
As long as the world turns, you'll have my love, girl
No matter what, no matter what, no matter what
Days when I'm stressed girl, you make it easier
When I'm on the road, day after day I'm missing her
Visions of kissing her, romance love dancing her
Is the best place I've been
I don't see you differently, girl
You're still beautiful to me
'Cause I never knew what love was
Didn't know what love does
But then you did it for me
No matter what, no matter what

I'm gonna be here, no matter what
As long as the world turns, you'll have my love, girl
No matter what, no matter what
No matter what, no matter what
I'm gonna be here, no matter what
As long as the world turns, you'll have my love, girl
No matter what, no matter what, no matter what
The love that I have for you will never fade away
No no my love, no no my love
The love that I have for you, it will never change
No no my love, no no my love

The love that I have for you will never fade away
No no my love, no no my love
The love that I have for you, it will never change
No no my love, no no my love
No matter what, no matter what
I'm gonna be here, no matter what
As long as the world turns, you'll have my love, girl
No matter what, no matter what
No matter what, no matter what
I'm gonna be here, no matter what
As long as the world turns, you'll have my love, girl
No matter what, no matter what, no matter what
No matter what, no matter what
No matter what
No matter what, no matter what
No matter what
