

Heart Behind My Eyes

Joe

Sitting in the dark
With so many why's
How can I ignore you tears or hear you cry
So many times I didn't let you win
Like a fool I walked way
I started in ore your men (hey yeah)Why do I do the things I do
When my heart belongs to you
I felt help you truelessly?
What you really mean to me
So give me a minute so I can show
The way you learns before you go
The heart you own the peace in me
Here my plea babyPlease don't life please don't go
I was a fool and I don't show
I were really feel in side
I was scared
'Cause I been hurt times
Nothing can place the lose in you
When I put my pride in side
Show you the heart behind my eyesI can see you tired
Maybe when you be apart
I can't say that I blame you
'Cause I made loving me so hard
Shawty understand
That I'm just a men
Wants to learn your love
So don't let go my handI let you down so many times
Saying goodbye to me to realize
How I felt to help you see
What you truly mean to me
So give me a minute and look in my eyes
So that you can see down deep inside
The heart you own the piece in me
Is begging please(Repeat 2X)
