Frosty the Snowman

The Beach Boys

Frosty the snowman
Was a jolly happy soul
With a corn-cob pipe and a button nose
And two eyes made out of coal

Frosty the snowman
Is a fairy tale they say
He was made of snow
But the children know
How he came to life one day

There must have been some magic
In that old silk hat they found
For when they placed it on his head
He began to dance around

Frosty the snowman
Was alive as he could be
And the children say
He could laugh and play
Just the same as you and me

Frosty the snowman
Knew the sun was hot that day
So he said, "let's run
And we'll have some fun
Now before i melt away"

Down to the village
With a broomstick in his hand
Running here and there
All around the square
Saying, "catch me if you can"

He led them down
The streets of town
Right to the traffic cop
And he only paused a moment
When he heard them holler, "stop!"

Frosty the snowman
Had to hurry on his way
But he waved goodbye
Saying, "don't you cry
I'll be back again some day"
