

Do You Ever Think Of Me?

Bing Crosby

When love in to my dreams was creeping
I gave my heart in to your keeping
It brought the harvest I am reaping
And I always wonder now

When summer twilight's gently falling
I'd love to know if you're recalling
Your tender words to me enthralling
And my heart is wond'ring still

When you have another's arms about you,
Do you ever think of me
When you whisper "I can't live without you,"
Do you ever think of me
And when your eyes disguise the same old loving lies,
You tell so tenderly
Deep in your heart unfeeling
When some heart you're stealing
Do you ever think of me.
