

# Let's Have a Party

## Dr. Feelgood

(phil baxter)Some people like to rock  
Some people like to roll  
Their movin' and grovin'  
Satisfy my soulLet's have a party  
Let's have a party  
Let's send them to the store  
Let's buy some more  
Let's have a party tonightI've never kissed a bear  
I've never kissed a goose  
I shake a chicken in the middle of the roomLet's have a party  
Let's have a party  
Let's send them to the store  
Let's buy some more  
Let's have a party tonightNow honky tonky joe  
Is knocking at the door  
Bring him in fill him up  
Set 'em on the floorLet's have a party  
Let's have a party  
Let's send them to the store  
Let's buy some more  
Let's have a party tonightLet's have a party  
Let's have a party  
Let's send them to the store  
Let's buy some more  
Let's have a party tonightI've never kissed a bear  
I've never kissed a goose  
I shake a chicken in the middle of the roomLet's have a party  
Let's have a party  
Let's send them to the store  
Let's buy some more  
Let's have a party tonight  
Have a party tonight  
Have a party tonight
