Call Off Your Dogs

Lake Street Dive

Hello
I'm not gonna bite you
I just want a light, you
Got me wishing that I'd never saidHello
I don't want to fight you
I don't got a right to
This is what I get for beingCivilized
I apologize
And I'll let you go in a minute
If you want itGoodbye
Is not what I want to say
You took my salutations
And threw them away
Call off your dogs
Listen when I call
I know there's something wrong with the limits
We got turned around but we can spin it
Call off your dogs
What's with the walls?
If we're strong we can win it
One word can begin it:Hello
I got a right to call you baby
I got a right to say hello
And remember when you used to like it baby
And it wasn't that long ago
This is what I get for beingCivilized
I apologize
And I'll let you go in a minute
If you want itGoodbye
Is not what I want to say
You took my salutations
And threw them away
Call off your dogs
Listen when I call
I know there's something wrong with the limits
We got turned around but we can spin itCall off your dogs
What's with the walls?
If we're strong we can win it
One word can begin it:

Hello
