

Barbarella Fortuneteller

Boney M.

You want to know what's written in the stars
And you're in Rio, go to Barbarella's bar
With a magic circle as that company
Today she writes tomorrow's diary Barbarella, magical Barbarella
Mystical fortuneteller, painting a sky of blue
Do you know Barbarella, magical Barbarella
Mystical fortuneteller, selling your dreams to you Oh oh oh
Oh oh oh
Oh oh oh You take a look into her gypsy eyes
You'll get the feeling that she never ever lies
She will seduce you with that misty look
She's gonna read you like an open book Barbarella, magical Barbarella
Mystical fortuneteller, painting a sky of blue
Do you know Barbarella, magical Barbarella
Mystical fortuneteller, selling your dreams to you Oh oh oh
Oh oh oh
Oh oh oh Heya, make the future very clear
Don't you be too shy
Heya, while you whisper in my ear
Tell another lie Barbarella, magical Barbarella
Mystical fortuneteller, selling your dreams to you Oh oh oh
Oh oh oh
Oh oh oh Barbarella, magical Barbarella
Mystical fortuneteller
