

# Where Does A Broken Heart Go

**Jim Reeves**

Where does a broken heart go, does it just fade away?  
Is it lost forever, will it live again someday?  
How can a broken heart live on with more than its share?  
When it knows the game is lost and it's hopeless to care  
When a heart has taken 'bout all it can stand Is it then protected with God's loving hand?  
Where does a broken heart go when it dies of pain?  
Is there a heaven for broken hearts, will it live again? Is it then protected with God's loving hand?  
Where does a broken heart go when it dies of pain?  
Is there a heaven for broken hearts, will it live again?
