

Something In the Water

Brooke Fraser

Advisory - the following lyrics contain explicit language:

Do I wear a demeanor made of bright pretty things
What she wears, what she wears, what she wears
Birds singing on my shoulder in harmony it seems
How they sing, how they sing, how they sing Give me nights of solitude, red wine just a glass or two, Brooklyn
in a hammock on a balmy evening
I'll pretend that its no thing that skipping in my heart when I think of you
thinking of me babe I'm crazy over you Aaah Aaah Aaah
Theres something in the water, something in the water
Aaah Aaah Aaah
There's something in the water, that makes me love you like -I've got halo's made of summer, rhythms made of
spring
What she wears, what she wears, what she wears
I got crowns of words a woven each one a song to sing
Oh I sing, oh I sing, oh I sing Give me long days in the sun, preludes to the nights to come
Previews of the mornings laying in all lazy
Give me something fun to do like a life of loving you
kiss me quick now baby I'm still crazy over you Aaah Aaah Aaah
Theres something in the water, something in the water
Aaah Aaah Aaah
Theres something in the water that makes me love you like I do Oooh oooh oooh [x3] Give me nights of solitude,
red wine just a glass or two, give me something fun to do Aaah Aaah Aaah
Theres something in the water, something in the water
Aaah Aaah Aaah
Theres something in the water that makes me love you like I do Aaah Aaah Aaah
Theres something in the water, something in the water
Aaah Aaah Aaah
Theres something in the water that makes me love you like I -Do do do do do do do
