

# Smile

## The Laurie Berkner Band

I know a very special boy  
When I'm with him he fills my heart with joy  
He makes me smile  
He makes me smile And I know a very special girl  
When I'm with her I feel on top of the world  
You know she makes me smile  
She makes me smile You are my very special boy  
And you are me very special girl  
You know you make me smile  
You make me smile  
And I make you smile  
You make me smile  
And I make you smile  
And you make me smile
