Hall & Oates

Mounties

Hall and Oates, Hall and Oates
I'm f-e-e-l-ing something for you I can't explain
Hall and Oates, Hall and Oates
I'm f-e-e-l-ing something for you I can't explainWhen you were feeling incredible
When the night belonged to you
When you were so unforgettable
When we both knew what to doWhen we both knew we were credible
We were dancing in the blue
When nothing stopped us from anything
When nobody was anybody
And in the middle of the night you haunt me
I need to find what'll make you want me (don't know what to do)
When all I get from you is...
And in the middle of the night you haunt me
I need to find what'll make you want me (don't know what to do)
When all I get from you is...Hall and Oates, Hall and Oates
I'm f-e-e-l-ing something for you I can't explain
Hall and Oates, Hall and Oates
I'm f-e-e-l-ing something for you I can't explainWhen all I get from you is...
When all I get from you is...
When all I get from you is...Well you're a ??? maybe
Well, while you're at it??? vandalizing mine
Go into skating races, collect karate trophies
See through private eyes
And in the middle of the night you haunt me
I need to find what'll make you want me (don't know what to do)
When all I get from you is...
And in the middle of the night you haunt me
I need to find what'll make you want me (don't know what to do)
When all I get from you is...Hall and Oates, Hall and Oates
I'm f-e-e-l-ing something for you I can't explain
Hall and Oates, Hall and Oates
I'm f-e-e-l-ing something for you I can't explain
