Think Tank

Public Image Ltd.

Could have been a major problem
But I did not, I didn't look back
And all you dirty druggies
Chicken shit, Sad SacksRewriting history
Tampering in my story
Standing in my shadow
But still so pale, so shallowThink tank, winner takes all, loser takes blank
Think tank, burning off steam, loser takes blankMother Nature's kind regards
Balancing the house of cards
Assuming and consuming
Of the peg commoditiesThe politics of common sense
Violence as self defense
Anomalies and metaphors
The languages of lesser whoresThink tank, winner takes all, loser takes blank
Think tank, burning off steam, I'll let you dream
Dream onI might not know much, but I know all this
Did you think I would not notice?
Dream onLove, loves money and delights in praise
Easy money as a virtue, just watch it quickly fade
And it could have been a problem
But I did not, no, I don't look backThink tank, winner takes all, loser takes blank
Think tank, burning off steam, loser takes blank
Think tank, winner takes all, loser takes blank
Think tank, burning off steam, I'll let you dream
Dream on
