

Glory Displayed (feat. Michael Alejandrino)

Firebrand

Glory Displayed

Love without measure
Some undeserved favor You gave
We are unworthy treasures
And in your good pleasure You saved

While we were yet sinfully dead
Jesus You laid down Your life
Cancelled our debt
Through the blood that You shed
Now pardoned and justified

We sing of Your glory displayed
In the cross Your mercy has prevailed
Victorious over sin and the grave
Worthy is the Lamb that who was slain
To receive all honor and all praise
Your glory displayed
In Your sovereign grace
