

# Only You

## Little Richard

Only you can make this world seem right  
Only you can make the darkness bright  
Only you and you alone  
Can thrill me like you do

And fill my heart with love for only you  
Only you can make this change in me  
For it's true, you are my destiny  
When you hold my hand  
I understand the magic that you do  
You're my dream come true  
My one and only you  
Only you can make this change in me  
For it's true, you are my destiny  
When you hold my hand  
I understand the magic that you do  
You're my dream come true  
My one and only you  
(One and only you)
