The Silence of Crows

Balzac

I just see another day
Someone to see over tomorrow
You must see yesterday
I know what you did last dayThe silence of crows
The art of dying
I'm walking the other way
I don't care nothing changin' tomorrowKuzure ochi yuku gensoo no kagiri (The illusion's shadow goes to destroy the calm)
Sozo sareta futashikana kozo (Uncertain structures are created)
Ume tsuku sareta hikari no naka ni ha (In the light, it starts to bury)
(It is over) The silence of crow
No reason why'Cause just is
(No reason why)So! The silence of crowsI just see another day
Someone to see over tomorrow
You must see yesterday
I know what you did last nightThe silence of crows
The art of dying
I'm walking the other way
I don't care nothing changin' tomorrowTojikomerareta gensoo mo kageri (confined illusion and shadows)
Sugi saru kao ha futashikana shoozoo (Unsure images passing by my face)
Kizamikomareta ikari no hate ni ha (Cut the anger's end)
(It is over) The silence of crow
No reason why'Cause just is
(No reason why)
