

Girl Behind the Glass (feat. Rare Times)

Groundislava

The GIRL BEHIND THE GLASS

The GIRL BEHIND THE GLASS Back into the sound, back into myself

Her life fades away, when I return from the realm

Can this love be real

When we only touch I feel

Is the search from the jack

And my skin against the steel

I will keep you pure,

The GIRL BEHIND THE GLASS

I will keep you pure,

The GIRL

The GIRL BEHIND THE GLASS

I will keep you pure

The GIRL BEHIND THE GLASS

The GIRL BEHIND THE GLASS Back into the sound, back into myself

It hurts to pull away, I live the greatest threat

The greatest threat

When I'm up by her aside

Then she lay awake at night

Does her heart beat like mine?

Am I living for a lie?

I will keep you pure,

The GIRL BEHIND THE GLASS

I will keep you pure,

The GIRL

The GIRL BEHIND THE GLASS

I will keep you pure

The GIRL BEHIND THE GLASS

The GIRL BEHIND THE GLASS
