Straighten Out

The Stranglers

And the first commandment reads
That human flesh and blood is sacred
Until there is no more food

The break of day has come I see the cracks have just begun to
Line the walls
Line the walls
Oh won't you see the little girls and boys destroy their toys
Line the walls
Line the walls

What a fate for little gir-ir-irls
British boys' minds in a whir-ir-irl
Tell you things that'll make your cur-ur-urls
Straighten out
Straighten out
Straighten out
Straighten out

For twenty years or more just tell me what we're living for
So tell me now
Tell me now
Frustrated intellect the Government capitulation
Follows now
Follows now

What a fate for little gir-ir-irls
British boys' minds in a whir-ir-irl
Tell you things that'll make your cur-ur-urls
Straighten out
Straighten out
Straighten out
Straighten out

The break of day has come I see the cracks have just begun to
Line the walls
Line the walls
Oh won't you see the little girls and boys desroy their toys
Line the walls

Line the walls

What a fate for little gir-ir-irls
British boys' minds in a whir-ir-irl
Tell you things that'll make your cur-ur-urls
Straighten out
Straighten out
Straighten out
Straighten out

Straighten out (x16 until fade)
