Gamma Ray (Live, the Longest Version Ever!)

Birth Control

The World Is Pervated With
Irony, Hunger And Corruption
The Eastern World And The Africans Too
Are Going To Repeat The History Of Our Wars
And Our Industry Supplies Them With Arms
Everybody Knows, But Apparently
Nobody Can Do Anything Against It
For Our Society Is On The MakeWell, Sometimes, Sometimes,
I Tried To Draw Up A List
I Tried To Find Out What Death Had Done
I Thought Of Honorable Murderers You Know
Like Jobbers And Mad Rabble-Rousers
At Anytime, Everywhere In The Whole WorldIf I Were A Gamma Ray, A Gamma Gamma
Gamma Ray Made Of Pure Existence
If I Were A Gamma Ray, A Gamma Gamma
Gamma Ray Mighty And Unfailing
I'd Radiate Love, To Fight MiseryWithout A Body I Could Fly Round
The World Destroying Arms, Destroying Rockets
Mix-Up Complexions Of The Whole Human Race
We All Would Turn Into Chocolate People
Everybody, Everywhere In The Whole World
If I Were A Gamma Ray, A Gamma Gamma
Gamma Ray Made Of Pure Existence
If I Were A Gamma Ray, A Gamma Gamma
Gamma Ray Mighty And Unfailing
I'd Radiate Love, To Fight Misery
