Because I do

Blubell

I'm gonna say something that
I know you've heard before
There's so many love songs but I
Have to say once more
Say that I love you
Because I do-o-o
Because I love you, I do
Please let me say what I feel
Even if it sounds dull
I have to say it again
Whats problem with I
Say that I love you
Because I do-o-o
Because I love you, I do
If you don't want to hear it
Go play another song
I never get tired of it
So I'm singing along
Because that I love you
Because I do-o-o
Because I love you, I do
Once in my life I want to
Make a tacky song
I tried so hard to break through
Now I know there is nothing wrong
To say that I love you
Because I do-o-o
Because I love you, I doI'm gonna say something that
I know you've heard before
There's so many love songs but I
Have to say once more
Say that I love you
Because I do-o-o
Because I love you, I do
Please let me say what I feel
Even if it sounds dull
I have to say it again
Whats problem with I
Say that I love you

Because I do-o-o
Because I love you, I do
If you don't want to hear it
Go play another song
I never get tired of it
So I'm singing along
Because that I love you
Because I do-o-o
Because I love you, I do
Once in my life I want to
Make a tacky song
I tried so hard to break through
Now I know there is nothing wrong
To say that I love you
Because I do-o-o
Because I love you, I do
