

So What?

Far East Movement

Advisory - the following lyrics contain explicit language:

So whatcha whatcha whatcha want? (8x) So whatcha whatcha whatcha want?
No lines we just walk up to the front
Dirty girls are my flavour of the month
Evel Knievel cause ya know I gotta stunt (it's show time) So whatcha whatcha whatcha need?
You wanna bang bang boogie with a freak?
Pop bottles at my table to the beat
Ya better gimme what I gimme what I need Me and you take it to the room
We can blast off take it to the moon
We can wild out take it to the zoo
All I wanna do is zoom zoom zoom zoom You and me in the backseat
Bass in the trunk, you remind me of my jeep
Bass hang low all the way to your feet
All I wanna do is beat beat beat beat So whatcha whatcha whatcha want? (8x) So whatcha whatcha whatcha
want?
Hundred dollar bills stacked higher than the trunk
Eatin real good taking models out to lunch
Sleepin real good take your vodka out to brunch So whatcha whatcha whatcha need?
Need to be swimmin in women like the sea
Super hot model chicks rum and lin-ger-ie
Need to spray em down with the cham-pag-ne Me and you take it to the room
We can blast off take it to the moon
We can wild out take it to the zoo
All I wanna do is zoom zoom zoom zoom You and me in the backseat
Bass in the trunk you remind me of my jeep
Bass hang low all the way to your feet
All I wanna do is beat beat beat beat So whatcha whatcha whatcha want? (8x)
All I want is bass (11x)
So whatcha whatcha whatcha want? (8x)
