

# Don't Fail Me Now

[Ryan Adams](#)

Oh gal, oh gal, with your darkened eyes  
Kindle the wood, prepare the fire  
And don't fail me now Oh gal, oh gal, with your darkened soul  
Kindle the wood and get ready to roll  
Just don't fail me now  
And don't fail me now You don't do me right  
You don't do me right  
Why you do me wrong  
When the rope gets tight? Oh gal, oh gal, with your darkened soul  
Burn the love, my things and get ready to roll  
And don't fail me now Oh Mary, oh mother of all that is near  
Lead me to freedom from my kingdom of fear  
And don't fail me now  
Just don't fail me now You don't do me right  
You don't do me right  
Why you do me wrong  
When the rope gets tight? When rope gets tight?  
When the rope gets tight?  
When the rope gets tight? When the rope gets tight?  
When the rope gets tight?  
When the rope gets tight?  
When the rope gets tight?  
When the rope gets tight? Why you do me wrong  
Why you do me wrong  
When the rope gets tight?
