Greatestlove

Musiq

Girl, you came into my life
Just like a new tune on the radio
It was so beautiful even though I never heard it beforeOn that day when I looked into your eyes
I realized right then that you are the one that I'm searching for
When we spend time I just can't ignore thatBaby you and me we're just so good together
Look at how we harmonize
Girl, we're like the perfect melody that keeps getting better
We can stand the test of timeAll we had were letters till we formed the words
Started from the lyrics till we found the verses
That can bridge us through
Baby we could be the greatest love songYou truly complement my style
Sorta like a good rhyme done to the right track
You're so wonderful, these days it's so rare to find something like thatAnd everybody needs a little bit of inspiration
And baby, you, you're mine
Just like a guitar needs strings, girl I need you
There's no reason I could ever leave you'Cause baby you and me we're just so good together
Look at how we harmonize
Girl, we're like the perfect melody that keeps getting better
We can stand the test of timeAll we had were letters till we formed the words
Started from the lyrics till we found the verses
That can bridge us through
Baby we could be the greatest love songAll my life, I've been waiting for you and now you're here with me
So, don't worry about a thing
Even when we're old and gray, I'll still be loving youThat, baby you and me are just so good together
Look at how we harmonize
Girl, we're like the perfect melody that keeps getting better
We can stand the test of timeAll we have are the letters till we form the words
Started from the lyrics till we found the verses
That can bridge us through
Baby we could be the greatest love songBaby you and me are just so good together
Look at how we harmonize
Girl, we're like the perfect melody that keeps getting better
We can stand the test of timeAll we have are the letters till we form the words
Started from the lyrics till we found the verses
That can bridge us through
Baby we could be the greatest love song
