

# Never Worried

YFN Lucci

[Hook]

You know it don't make no sense if it don't make none  
And I got a lotta bitches and it ain't nothing to replace one  
Build my home, bitch I can create one  
Name a bigger boss I bet it ain't one  
Never worried, we ain't never worried  
We ain't never worried, we ain't never worried  
Never worried, never worry  
Never worried

[Verse 1]

[?] no rules in this shit  
Can't keep losing this shit  
How it losing your bitch  
Gotta keep like 2 or 3 kids  
See my Franck Muller it's lit  
Watch them my time [?] bitch  
Why sit around cryin' about a bitch  
I build me 9 of them bitches  
Okay Lu, spend some bands on it  
I know my mans want her  
That Ben Frank, bet a bag on her  
[?] drag on her, fuck up your leg  
Dollar after dollar after dollar, you'll never last  
Roll so much damn weed up with my feet up, we ain't coming last  
Ran with the best though  
You gon' need a vest for 'em  
[?] uncle [?]  
Young nigga, young nigga shit sitcks hangin' out the caravan  
We gon' stack it tall as we can  
I can't hear you nigga what you sayin'?

[Hook]

You know it don't make no sense if it don't make none  
And I got a lotta bitches and it ain't nothing to replace one  
Build my home, bitch I can create one  
Name a bigger boss I bet it ain't one  
Never worried, we ain't never worried  
We ain't never worried, we ain't never worried  
Never worried, never worry  
Never worried[Verse 2]

I had to get up out my feelings, I got dough to be gettin  
I got caught up in my pimpin' but it ain't your business  
Told that bitch, fi she don't pay me I can't pay attention  
Ran me that paper and stay away from  
See a gangster like myself I get that paper then pussy  
You know we put that cake on they head  
You spend your pussy on some pussy  
[?] from pussies, heard you be takin' the pussy  
Fuck her in the Wraith I get outerspace, yeah [?]  
And it's like on Narcos, sellin' Pablo  
Yeah, we be duckin' 5-0, it's about survival  
Stack that paper 'til it don't fall  
Nigga stand tall, nigga don't fall[Hook]  
You know it don't make no sense if it don't make none  
And I got a lotta bitches and it ain't nothing to replace one  
Build my home, bitch I can create one  
Name a bigger boss I bet it ain't one  
Never worried, we ain't never worried  
We ain't never worried, we ain't never worried  
Never worried, never worry  
Never worried
