

Close the Door (Messiah Mix)

Teddy Pendergrass

Close the door
Let me give you what you've been waiting for
Baby I got so much love to give
I want to give it all to you Close the door
No need to worry no more
Let's bring this day to a pleasant end
Girl it's me and you now
I've waited all day long just to hold you in my arms
And it's exactly like I thought it would be
Me loving you and you loving me Close the door
Let me rub your back where you say it's sore
Come on get closer
So close to me
Let's get lost in each other
Come here baby I've waited all day long just to hold you in my arms
And it's exactly like I thought it would be
Me loving you and you loving me Close the door baby
And let me know let me blow your mind
Plenty good lovin' all through the night
And then again and then again
When the morning comes
Come here, woman Come here baby, let me blow your mind
Let me do what I want to you
Let me do what I want to you
Nothin' makes me love to you baby
You baby, oh baby, so good, baby
So good, so good, so good, baby You'll do it to me, I'll do it to you
Come here baby, lay your head next to mine
So good, sweet woman
I like the way you make me feel
I like the way you make me feel
So good, so good, so good, so good, baby Let me do what I wanna do
All I wanna do is make love to you
Let me do what I wanna do
All I wanna do is make love to you
Let me do, do, do, do, do, do
