Lava Lamp

Thundercat

Sometimes you have to let go
To free fall away
I won't judge you anymore
'Cause sometimes I needed to
Free fall far away
Out of sight, out of mindI'm so tired
Where can I lay my head?
I'll just close my eyes
Hope I wake up dead
Don't want to live without you
Don't leave me out here to die
Maybe another time and space
When I look you in the face
Far, far away
Maybe in another life
