Bass Head Jazz

Cee-Lo

Bass head jazz
Bass head, bass head, bass headBass head
Feel like I'm walkin' across the sky gettin' high on bass head jazz
Bass head
Feel like I'm walkin' across the sky gettin' high on bass head jazz
Bass headBass head
The world is spinning so slow, ain't got nowhere else to go
Bass head
Let your mind be free, finally enter a new zone of understandin'
Bass head
You gotta get high to get downBass head
Feel like I'm walkin' across the sky gettin' high on bass head jazz
Bass head
Feel like I'm walkin' across the sky gettin' high on bass head jazz
