

Extirpated Dominus

Incantation

Gates of hades

Realm of the dead

Multitudes will be shamed to everlasting contemptThe messiah is my servant

A serpent for my greed[repeat 1st and 2nd verses]Manipulation for an agenda

Mass enslavement over mankindWith diabolical fear

And schoel as our weapon

I ascend the throne

Oblivious, I submitMy essence is wasted...

[repeat 2nd and 1st verses]
