

Death Valley

Fall Out Boy

I wanna see your animal side
Let it all out
I wanna see the dirt
Under your skin
I need your broken promises
I want the guts and glory baby baby
This town is wasted and alone
Cause we are alive
Here in death valley
But don't take love off the table yet
Cause tonight
It's just fight or we're losing, losing you
We love a lot
So we only lose a little
We are alive

I wanna see your animal side
Let it all out
Oh there you go; undress to impress
You can wear the crown but you're no princess
Let's put the 'D' in dirt now baby
Let's get you wasted and alone
We're gonna die
It's just a matter of time
Hard times come
Good times go
I'm either gone in an instant
Or here til the bitter end
I never know
What I've got will make you feel more alive
I'll be your favorite drug I will get you high
I will get you high
