

Death of a Party

Blur

Death of the party
Came as no surprise
Why did we bother?
Should have stayed awayAnother night
And I thought, "Well, well"
Go to another party, and hang myself
Gently on the shelfDeath of the teenager
Standing on his own
Why did he bother?
Should have slept aloneAnother night
And I thought, "Well, well"
Go to another party, and hang myself
Gently on the shelfOhh ohh
Ohh ohh
Woo woo
Woo wooAnother night
And I thought, "Well, well"
Go to another party, and hang myself
Gently on the shelf
