

How He Loves (feat. Kim Walker)

Jesus Culture

He is jealous for me
Love's like a hurricane, and I am a tree
Bending beneath the weight of His wind and mercy
When all of a sudden
I am unaware of these afflictions eclipsed by glory
And I realize just how beautiful you are and how great your affections are for me And oh
How He loves us oh
Oh how He loves us
how He loves us oh He is jealous for me
Love's like a hurricane, and I am a tree
Bending beneath the weight of His wind and mercy
When all of a sudden
I am unaware of these afflictions eclipsed by glory
And I realize just how beautiful you are and how great your affections are for me And oh
How He loves us oh
Oh how He loves us
how He loves us oh Yeah He loves us
Oh how He loves us
Oh how He loves us
Oh how He loves Yeah He loves us
Oh how He loves us
Oh how He loves us
Oh how He loves We are His portion and He is our prize
Drawn to redemption by the grace in his eyes
If grace is an ocean, we're all sinking (ha ha)
So heaven meets earth like a unforeseen kiss
And my heart turns violently inside of my chest
I don't have time to maintain these regrets
when I think about the way He loves us
Oh how He loves us
Oh how He loves us
Oh how He loves
Yeah He loves us
Oh how He loves us
Oh how He loves us
Oh how He loves yeah yeah hey yeah yeah yeah yeah yeah yeah yeah Yeah He loves us
Oh how He loves us
Oh how He loves us
Oh how He loves yeah yeah

Yeah He loves us
He loves us
He loves us (ha)Yeah
His presence. His love
Is so thick and tangible in this room tonight
And there are some of you here that have not encountered the love of God
And tonight God wants to encounter you
And wants you to feel His love
His amazing love
Without it these are just songs
These are just words
These are just instruments
Without the love of God, it's just like we're just up here just making noise
But the love of God changes us
And we're never the same
We're never the same
After we encounter the love of God
We're never the same after we encounter the love of God
And right now if you haven't encountered the love of God
And you would know
Because you wouldn't be the same
You would never be the same again
And if you, if you, want to encounter the love of God right now
You better just brace yourself because He's about to just blow in this place
And we're gonna encounter the love of God right now
So God I speak to all the hearts
And I ask God that every heart be open right now
Every heart be open
Every spirit be opened up
To you God. To You
And a love encounter
A love encounter from you tonight
A love encounter from you tonight God Yeah He loves us
Oh how He loves us
Oh how He loves
Let it go deep go deep go deep He loves us
Oh how he loves us
oh how he loves us
oh how he loves
His love is going deep
His love is going deep tonight
His love is going deep tonight
See the Father
Behold the Father

Behold the Father (ha)
