Racer X

Big Black

Regular guy, Rex got a need
Rex, Racer X
Brother is Speed
Brother is Speed
Brother is sex
Shut up, Pops
Rex, Racer X
OK
Got a big white X
On the top of his car
Rex keeps his speed
In a little glass jar
Racer X on the road
Rex on the track
Little cartoon nips
Racer X on attack
OK
Just a man in a car
Racer X got a need
Come on, Five
I need a little more speed
He's just a regular guy
Racer X got a need
Come on, Pops
I need a little more speed
Just a goddamn job
Just a goddamn job
Just a goddamn job
Just a goddamn job
Just a goddamn job
When you're hauling strips
Just a goddamn job
Rex needs his fix
OK
OK
Rex is a man
He's the brother of sex
Aw, shut up Pops
Here's to Rex, Racer X

OK
