Fourth of July

Mike Krol

Smalltown, America
Is where I wanna be.
We'll have a big parade
And line the flags down the street.I'm in the summer sun,
I try to find my friends.
But what I wanna know
Is whether you goBack at the block party,
Someone mentions your name.
I feel my stomach drop,
And then I start to think:Hey, may I see you?
And may I feel that way again?
It's been too long
and I've been waiting for it all.
Just as it's getting late,
We head down to the field,
And when we're getting close,
I've got my eyes peeled.I see you standing there
Then you move to see
I wanna down it like
But?????My favourite holiday
Is the fourth of July.
And when the sun goes down,
We're gonna make the stars.
Fly on a plane jet
Underneath the stars,
Wooh-ooh-ooh-ooh.
I lost you in the fireworks.
I lost it all in the fireworks.
I want it to be
Fourth of July forever.
Would you stand here with me?
Fourth of July forever.
Wooh-ooh-ooh-ooh .
