

Omni

Toy

Permanere?

Music, lyric and arrangements by Daniel Gildenlöw I see us in you Nauticus

Came so late but I pray

At the last light of day

There might still be a chance

To save this beast of clay I see us in you Nauticus

As you're drifting along

Built to last

Young and strong

Will you find us the answers

Before we are gone? It's getting late in the day...
