

# All I Want To Do

## Sugarland

I don't want to get up baby, let's turn off the phone  
I don't want to go to work today or even put my makeup on  
I got better things to do than my to do list anyway  
Hide under the covers and waste away the dayLet's just lay here and be lazy, baby drive me crazyAll I want to  
do-o-o-o  
All I want to do-o-o-o is love you, yeahI got my whole life to change the world and climb the ladders  
Looking at you looking at me is the only thing that matters  
Come a little closer baby, we can talk without the words  
Hang a sign on the door, please do not disturbLet's just lay here and be lazy, baby drive me crazyAll I want to  
do-o-o-o  
All I want to do-o-o-o is love youGive me a kiss from that Elvis lip  
You don't want to miss this!All I want to do-o-o-o  
All I want to do-o-o-o is love youAll I really want to do is  
All I really want to do is  
All I really want to do is love you and love you and love youCome a little closer baby, we can talk without the  
words  
Hang a sign on the door  
Please do not, please do not, please do not, please do not disturbWhen I lay down in the evening all I really want  
to do is  
When I wake up, when I wake up in the morning baby  
All I really want to do is
