

Keep Your Hands On the Wheel

Ram Jam

I'm cruising to life with no blisters on
I'm trying for the line between right and wrong
But there is always something shaken wherever I go
And I'm always saying yes when I should have say no
I said: "Come here sweet thing, let me show you how I feel"
She said: "Let go of me and keep your hands on the wheel" Keep your hands on the wheel
Keep your hands on the wheel
Keep your hands on the wheel
On the wheel Wrong, that's one thing I never understood
How can it be bad when it feels so good
I cannot forget, eh, time on again
How come I lose twenty when I only scored ten
I said: "Come here sweet thing, let me show you how I feel"
She said: "Let go of me and keep your hands on the wheel" Keep your hands on the wheel I got to get a grip
Keep your hands on the wheel but you won't do it my slip
Keep your hands on the wheel I can't help it if I slip
On the wheel Jeff is driving fine and I'm starting to move
There is such a fine line between a rut and a group Keep your hands on the wheel
Keep your hands on the wheel
On the wheel
Keep your hands on the wheel I got to get off
Keep your hands on the wheel but you're playing with my
Keep your hands on the wheel I know I got to shift
On the wheel
Keep your hands on the wheel I got to get a grip
Keep your hands on the wheel but you're playing with my
Keep your hands on the wheel I can't help it if I slip
On the wheel Keep your hands on the wheel
Keep your hands on the wheel
On the wheel
Keep your hands on the wheel
Keep your hands on the wheel
