Someone Like You

Russell Watson

Il tempo passa senza che
Lo passo mai insieme ate
Ma ti pensavo sempre
Nei sogni tu con me
Per me il mondo finira
Se non ci fossi tu
Ovunque vai
Voglio che saiIf you need a friend or a lover
Or a place that you can hide
I will always be there
Even though my hands are tiedI know deep down inside
If you'd consider what we shared
Maybe you'll see
You're all that I need
E'una vita che cercando a te
E non importa che io senta per te
Soltanto una notte ancor
Chiamami amorAll of my life
All my life
I've been searching
For someone like youThere's never been a better time
There's never been a better place
For you and I together here
Alone and face to faceOh, I'd do anything
If you'd just let me in your life
Whatever it takes
I won't make the same mistake again
E'una vita che cercando a te
E non importa che io senta per te
Soltanto una notte ancor
Chiamami amorAll of my life
All my life
I've been searching
For someone like youCould it be the brightest star
So close, yet, still far away
Don't you know I've fallen for you
Baby, I'm calling for you
Right here, right nowE'una vita che cercando a te
E non importa che io senta per te

Soltanto una notte ancor
Chiamami amorAll of my life
All of my life
I've been searching
For someone like youFor someone like you
