

Gimme Gimme Gimme

A Perfect Circle

gimme, gimme, gimme, gimme,
i need more, i need more.
gimme gimme gimme.
dont ask what for, dont ask what for.sitting here like a loaded gun.
im waiting, to go off.
ive got, nothing to do but,
shoot my mouth off.gimme, gimme, gimme, gimme,
i need more, i need more.
gimme, gimme, gimme, gimme,
dont ask what for, dont ask what for.i know the worlds got problems,
ive got problems of my own.
they aint the kind that can be,
solved with an atom bomb.gimme, gimme, gimme, gimme,
i need more, i need more.
gimme, gimme, gimme, gimme,
dont ask what for, dont ask what for.you know i gotta go out,
get something for my head.
if i keep on doing this,
im gonna end up dead.gimme, gimme, gimme, gimme,
i need more, i need more.
gimme, gimme, gimme, gimme,
dont ask what for, dont ask what for.
gimme, gimme, gimme, gimme,
i need more, i need more.
gimme, gimme, gimme, gimme,
dont ask what for, dont ask what for.
