

# A Ship Without a Sail

Ella Fitzgerald

I don't know what day it is  
Or if it's dark or fair  
Somehow that's just the way it is  
And I don't really care I go to this or that place  
I seem alive and well  
My head is just a hat place  
My breast an empty shell  
And I've a faded dream to sell All alone, all at sea  
Why does nobody care for me?  
When there's no love to hold my love  
Why is my heart so frail?  
Like a ship without a sail Out on the ocean  
Sailors can use a chart  
I'm on the ocean  
Guided by just a lonely heart Still alone, still at sea  
Still there's no one to care for me  
When there's no hand to hold my hand  
Life is a loveless tale  
For a ship without a sail Still alone, still at sea  
Still there's no one to care for me  
When there's no hand to hold my hand  
Life is a love, loveless tale  
For a ship without a sail
