My Everything

Collie Buddz

Take me to that place I wanna be, girl
Caught up in your sweet love
Just you and me, girl
'Cause you're the only one
I long to please, girl
You're my everything, I need in this worldTake me to that place I wanna be, girl
Caught up in your sweet love
Just you and me, girl
'Cause you're the only one
I long to please, girl
You're my everything, I need in this worldWhen gal a roll in, magolin
Some gal they can't handle the jugglin
My girl when youre bubbling
Make them know that
Any of them think they gogglingYou're x-rated
Some gal them outdated
Him no have no more, me friend get it
You know borrow panty, same way
Jugglin don't stop 'cause you dantyMy girl just bounce it up, bounce it up
Give me an ounce of dro
And make me burn it up
And show this girl how to go, how to go
Straight cocaine and me nah go 'bout, nah go 'boutGal, them say they love the flow
Me wan know, where some boy run gon' go
Them a bust the show, bust the show
Bust the dance, gal, eh
'Cause ya burn the showTake me to that place I wanna be, girl
Caught up in your sweet love
Just you and me, girl
'Cause you're the only one
I long to please, girl
You're my everything, I need in this worldTake me to that place I wanna be, girl
Caught up in your sweet love
Just you and me, girl
'Cause you're the only one
I long to please, girl
You're my everything, I need in this worldGal, them just dance
Gal, wind up your waist, yeah
Bust up the place, gal

You no chase, nahSay think, gal a you have the place
With your lighter follow, you 'bout the place
Step to your pretty face
Make it go, give you some spaceGal, them just dance
Gal, wind up your waist, yeah
Bust up the place, gal
You no chase, nahSay think, gal, a you have the place
With your lighter follow, you 'bout the place
Step to your pretty face
Make it go give you some spaceTake me to that place I wanna be, girl
Caught up in your sweet love
Just you and me, girl
'Cause you're the only one
I long to please, girl
You're my everything, I need in this worldTake me to that place I wanna be, girl
Caught up in your sweet love
Just you and me, girl
'Cause you're the only one
I long to please, girl
You're my everything, I need in this world
