Blue Train

Cibo Matto

Don't lean on me, stay on your side
Don't leave me, be by my sideAin't no pain on a blue train, blue train
Ain't no pain on a blue train, blue train
Ain't no pain on a blue train, blue train
Ain't no pain on a blue trainTouching my skin won't get you to my core
Don't take my seat, don't make me soreAin't no pain on a blue train, blue train
Ain't no pain on a blue train, blue train
Ain't no pain on a blue train, blue train
Ain't no pain on a blue trainTouching my skin won't get you to my core
Don't take my seat, don't make me sore
You won't feel pain for loving me more
Just sit where you can always see the doorAin't no pain on a blue train
Ain't no pain on a blue train
Ain't no pain on a blue train
Ain't no pain on a blue train
Ain't no pain on a blue train
Ain't no pain on a blue trainBlue train, blue train, blue train
Blue train, blue train, blue train
Blue train, blue train, blue train
