Overrated

Boondocks

Yeah, oh
I passed my reflection, It's someone else
I see your invention and not myself
I turned into your perfect girl, a total stranger
Now I see and I don't want to

Be you and it's all just an act
And it's overrated
The truth is I'm wanting me back
Cause I can't take this
I gotta be who I am underneath
Who I gave up so you'll believe
Me and you and it's all just an act
It's overrated, so overrated

I let you control me, oh so you thought
Don't think that you're perfect, just don't misstep
I hid away the best of me, too scared you'd notice
Now I do and I'm not going to

Be you and it's all just an act
And it's overrated
The truth is I'm wanting me back
Cause I can't take this
I gotta be who I am underneath
Who I gave up so you'll believe
Me and you and it's all just an act
It's overrated

Changing for a guy (overrated)
Living in a lie (It's overrated)
Always asking why (so overrated)

Oh, oh
The mirror is shattered, I'm finally free

Be you and it's all just an act (oh yea)
And it's overrated
The truth is I'm wanting me back
Cause I can't take this

I gotta be who I am underneath
Who I gave up so you'll believe
Me and you and it's all just an act

Oh, it's overrated, yea
Overrated, yea
It's overrated, yea
So overrated, yea
Overrated, oh, oh, yea
