Bleed In My Arms

Sentenced

No, you don't want me to be there
To kiss your eyes, caress your hair or kill that pain away
As pain is my companion, solitude my guide
Your sweet affection solely offers me a threat I cannot abideYet you'll lose yourself in me in meBleed in my arms wounds within
Fall from grace as I offer you sin
Sacrifice yourself so frail
This pseudo-love is as good as betrayalSo place your love in the palm of my hand
where temptation lies within that something you've yet to feel
And as I close my fist and awake your sleeping fears
Without forbearance I will quench my thirst of your crimson tearsYou've lost yourself in me in meBleed in my arms wounds within
Fall from grace as I offer you sin
Sacrifice yourself so frail
This pseudo-love is as good as betrayalWeep for promises which all died
A drop of tear for every lie
Love forever torn away
I am only to cherish your painI am only to cherish your pain
