

Losing My Mind (St Etienne remix)

Summer Camp

You you you wasted my time
Honest to god
You you you wasted my time
(Time time always moving on)
Honest to god You you you you're never there
(Time time always moving on)
Honest to god
(God god only knows when I care)
Care care careful with my heart
You you you wasted my time You don't love me like you used to
You don't love me like you used to
You don't love me anymore You don't love me like you used to
You don't love me like you used to
You don't love me anymore If you want to leave
Then I know you must
And this house isn't big enough
For the both of us
If you want to leave
I suppose you must And it feels like
And it feels like
And it feels like
I'm losing my mind Love me
Love me
You don't
Love me
You don't
Love me
Love me
Love me If you want to leave
Then I know you must
And this house isn't big enough
For the both of us
If you want to leave
I suppose you must And it feels like
And it feels like
And it feels like
I'm losing my mind
