Lovelife

Kate Ryan

Don't ever hide Believe inside It's all I hold on to Never forget Sans regret

Or you won't find the real youIf you know what I mean say, Ayo!

If you feel what I feel say, Ayo!

'Cause things can only get betterIf you're riding the club say, Ayo!

If you're banging the drum say, Ayo!

We can all stand together[Chorus]One life
One loveAll you need in life is one loveOne life
One loveAll you need in life is one loveThe air I breathe

Is pure and clean
And you should breathe it too
Just live the dream
Raw energy

It's taking over youIf you know what I mean say, Ayo!

If you feel what I feel, Ayo!

Cuz things can only get betterIf you're riding the club say, Ayo!

If you're banging the drum say, Ayo!

We can all stand together[Chorus]One life
One loveAll you need in life is one loveOne life
One loveAll you need in life is one love[Bridge]One love

One life

Everything will be alrightOne love One life

Everything will be alright[Chorus]One life
One loveAll you need in life is one loveOne life
One loveAll you need in life is one love
