Your love is like no other
I want when we're together
I'll love to be foreverYou make me feel (you make me feel)
You make me feel (you make me feel)
You make me feel (you make me feel)
You make me feel stronger
Your love is like no other
I want no other lover
Our love will be foreverYou make me feel (you make me feel)
You make me feel (you make me feel)
You make me feel (you make me feel)
You make me feel stronger
