

Superheroes

Ventura Lights

(Verse 1)

When it's dark,
And it's cold and dreary,
And you are weary --
Shadows lurk inside the night.
There's something out there and it hides.
It's more than just your state of mind,
And it's hunting for you.(Chorus)

If we were
Stronger than superheroes,
We could save the world at once.
Then we could
Be the ones to get rid of
Enemies and tragedies they cause.(Verse 2)

When they come
And they're armed and ready,
Will you hold steady,
Or give into their heartless lies?
There's something in you and it sleeps.
There's more to you than what you see,
And it's waiting for you.(Chorus x2)
