

Let Love Lead The Way

Club Des Belugas

What makes this world go round?
Will the answer let her down?
She is so sweet and young
And her life has just begun
What does her future hold?
That's the story left unknown
Will she make it through her days?
Let our love lead the way
Part of me laughs, part of me cries
Part of me wants to question why
Why is there joy, why is there pain?
Why is there sun shine and the rain?
One day you're here, next you are gone
No matter what, we must go on
Just keep the faith and let love lead the way
Everything will work out fine
If you let love, love lead the way
Sitting there all alone
In the window of her room
Watching the world go by
Brings tears to her eyes
All she sees is hurt and pain
She wants to break the chains
She'll keep pressin' everyday
And she'll find her own sweet way
Part of me laughs, part of me cries
Part of me wants to question why
Why is there joy, why is there pain?
Why is there sun shine and the rain?
One day you're here, next you are gone
No matter what, we must go on
Just keep the faith and let love lead the way
I know, I know, I know, I know
You can be all that
And still can be who you are
You've gotta know for sure
That it isn't make believe
You may feel weak but you are strong
Don't you give up if, if you keep holding on

You'll never be wrong, just close your eyes
'Cause it lies deep in your heart, yeah
Part of me laughs, part of me cries
Part of me wants to question why
Why is there joy, why is there pain?
Why is there sun shine and the rain?
One day you're here, next you are gone
No matter what, we must go on
Just keep the faith and let love lead the way
Part of me laughs, part of me cries
Part of me wants to question why
Why is there joy, why is there pain?
Why is there sun shine and the rain?
One day you're here, next you are gone
No matter what, we must go on
Just keep the faith and let love lead the way
Everything will work out fine
If you let love, love lead the way
Love lead the way, love lead the way
