

# The Ghastly Silence

## Shining

I opened my eyes, but I couldn't see  
I had a feeling deep inside,  
That something was watching me  
I couldn't move  
I couldn't speak nor could I flee  
There is an unstoppable horror,  
And it's coming for me Evening came and so did they  
Unknown voices laughing in the dark  
They spoke of an impenetrable darkness,  
The absence of light  
I can hear them approaching,  
The smell of old  
Must follow their stench  
The ghastly silence spoke to me  
You cannot sleep,  
You cannot cry and you cannot smile  
Unless someone dies
