

Come A Little Closer

Cage The Elephant

Time shakes, found you at the water
At first you were my father, now I love you like a brother
Earthquakes shake the dust behind you
 This weather toss will blind you
Still not know, I seem blindChorus:
 Come a little closer than you seem
 Come on, come on, come on
Things aren't always what they seem to be
 Come on, come on, come on
Do you understand the things that you would see here
 Come on, come on, come on
Do you understand the things that you've been dreaming
Come a little closer than you seemHeartbreaks, that have me rest upon your shoulder
 Will you buy my ...
 So now I know I found you there
 Uuuh, wanna see if you can change it
Still not know, I seem goodChorus:
 Come a little closer than you seem
 Come on, come on, come on
Things aren't always what they seem to be
 Come on, come on, come on
Do you understand the things that you would see here
 Come on, come on, come on
Do you understand the things that you've been dreaming
 Come a little closer than you seem
Come a little closer than you seemTen thousand peoWle stand alone now
 And in the evening the sun sets,
 Tomorrow it will rise
 Time flies by, they all sing along
 Time flies by, they all sing along
 Time flies by, they all sing along
 Time flies by, byChorus:
 Come a little closer than you seem
 Come on, come on, come on
 Come a little closer than you seem
 Come a little closer than you seem
 Come a little closer than you seem
 Come a little closer than you seem
