Sleep Keeps Me Awake

Michelle Shocked

Sleep comes creeping in
At four in the morning
Sneaking up the stairs
Shoes in her handsDon't you know what time it is?
Oh, I've been worried about you, Lollie
I think the least that you could do was
Phone to say you'd be lateSleep keeps me awake all night
Hey, I wonder where she is right now
Well, I told her if she's late to call
Or don't come home at allDon't you know what time it is?
Oh, I've been worried about you, Lollie
I think the least that you could do was
Phone to say you'd be lateLast week it was one a.m.
This week is was two a.m.
Last night it was three a.m.
And tonight it's four a.m.You never mind about that now
You come lay down beside me, Lollie
Let me hold you in my arms
Let me hold you in my armsLet me kiss you, kiss you, Lollie
Let me kiss you, kiss you, Lollie
Let me hold you in my arms
Let me hold you in my arms
